

SANGRAM SALUNKHE

CHEMISTRY TEACHER

I am a passionate and dedicated chemistry teacher with four years of experience in teaching to graduate and postgraduate students at SGM College, Karad. I have Master's degree in Organic Chemistry from SPPU, Pune and a strong background in organic, inorganic and physical chemistry. I have successfully designed and delivered engaging lectures, practical sessions and assessments that meet the academic standards and learning outcomes.

I am looking for an opportunity to further enhance my teaching skills and contribute to the excellence of the organization.
