

A Report of

“Motivational session by Successful Innovator”

(5th Feb. 2022)

Organized

By

Centre for Invention Innovation Incubation

Of

***Sadguru Gadage Maharaj College, Karad
(Autonomous)***

Motivation is the important aspect to achieve something in the life. How ideas can be generated and converted into successful startups or IPR can be achieved by motivating students in the same regards by a person who successfully achieved the same. Successful innovator can motivate other to inculcate their ideas. So, we arranged a session in which resource person will motivate students to develop new ideas and think in that view point. In this context, Centre for Invention Innovation Incubation of the Sadguru Gadage Maharaj College, Karad organized **online “Motivational session by Successful Innovator”** on Saturday **5thFebruary 2022** at 2:00 pm on Zoom online platform.

Resourceful Address:

Initially Dr. A. G. Mulik stated the motto behind organizing such type of motivational session for students. Dr. N. T. Pawar welcomed the audience and introduced the resource person.

Mr. Vikrant Kulkarni elaborated how a single idea can be developed and converted into successful strat-up by explaining his own example. He demonstrated the whole setup of his business related to the Spirulina. Spirulina is an alga of marine water and how it is used as food to the human being. This sea weed has a good quality of food containing all amino acids, good cholesterol and lot of minerals. He talked on how Entrepreneurs can start this business and what is market value of it. He also commented on use and demands of this food in post covid treatment. 60+ participants enjoyed this workshop through ZOOM app. Dr. I.A. Dhole expressed vote of thanks. All faculty members of the Institute's Innovation Council were present for this session through ZOOM.
