Entrepreneurs bring creativity and ingenuity to address the challenges faced by their local communities. It will help in building Entrepreneurship Skills in students. Objective behind organizing such webinar is that Speaker will share his success story as successful Entrepreneurs to ignite the spirit of entrepreneurship in the mind and heart of the students. This motivates the students to think of becoming an entrepreneur. In this context, Centre for Invention Innovation Incubation and Entrepreneur development cell of the Sadguru Gadage Maharaj College, Karad organized online webinar on “Motivational Session by Successful Entrepreneurs” on Sunday 6th February 2022 at 02:00 pm on Zoom online platform. Dr. Pallavi Khairmode welcomed the audience and introduced the resource person.

Resourceful Address:

After Welcome and Introduction, Mr. Sameer Patil started his lecture with Scope and Opportunities of Entrepreneurship. Innovative researchers have turned sericulture into an industry and now it has become a major cash crop of the country. The sericulture industry is unique for more than one reason. It is based on agricultural output specifically cocoons and cottage-based labor intensive in nature. He shared his experience about setting up new start-up. He also told students about what are the government schemes and subsidies given by the government for starting agro-based start-ups. He also stated local agro-based opportunities in Karad area. 50+ participants were present online through ZOOM app. Dr. Namdeo Harale expressed vote of thanks. All faculty members of the Institute’s Innovation Council were present for the session through
