Leadership Talk with Prof. T. G. Sitharam

Dr Abhay Jere, Chief innovation officer, Ministry of Education introduced Prof. T. G. Sitharam, Chairman AICTE. Prof. Sitharam said research is very critical for development of Institute and country. He also expressed difference between IIT and AICTE. Critical thinking is less in our country was his view. We need to create greater research funding. He said think what do people want, solve their problems that should be target of researchers. He also talked on how to manage dress in Modern era.

Yoga and meditation should be used to complete in this modern world. He talked on success to failure rate. He said 9:1 is his rate of failure to success. Perseverance is key factor for achievers and researchers was his view.

The session was very useful and fruitful for all participants and students.
