YUKTI Innovation Challenge

IIC of Sadguru Gadage Maharaj College actively participated in YUKTI challenge 2023. Students were motivated to submit their ideas, innovations, and start-up ideas to IIC of the college. The ideas were collected and polished for submission to the YUKTI innovation challenge. 5 ideas were submitted to YUKTI challenge from the college. Out of 5 ideas, 3 ideas were recommended from the YUKTI challenge. These selected students were given training regarding innovations, startups, etc. Students benefited as training given was excellent and the lectures in training were very helpful for the students. Our mentors timely made the effort to submit the ideas and incubate them. The repository was maintained online and the idea bank was established.
