As all of us know, IPR protection plays a key role in gaining competitive advantage in academic area. In order to remain competitive and relevant in today's knowledge based society; there is always the constant need to research and innovate. Despite being actively engaged in research and new innovations, over 35% people are not aware of intellectual property rights (IPR), a latest study revealed. It is felt that IPR requires greater understanding and attention among the Research scholars, faculty members and students in the universities and colleges. IQAC, Keshavrao Pawar Central Library and Invention, Innovation and Incubation cell of the Sadguru Gadage Maharaj College, Karad organized online awareness Programme on "**Intellectual Property Rights**" on Friday 18th February 2021 at 11:00 am on Zoom online platform. Prof. Dr. G. B. Kalyanshetti, highlighted the importance of IPR in academic environment. He also described the academic development and overview of college.

Inaugural Function:

The Programme was inaugurated by Prof. S A Patil, Vice Principal of Sadguru Gadge Maharaj College, Karad (Autonomous) via virtual engagement with the participants. In inaugural notes Prof. S A Patil, shared views about the webinar theme. He said that it is always welcome fact that newer trend in intellectual property right are introduced for faculty members and research scholars. The Faculty members and research scholars can modulate their research with the help of fresh and new knowledge about the IPR. This type of lecture will give some tips about the how to go for patents, copyrights etc. Prf. S A Patil Sir concludes his inaugural speech by giving best wishes for the webinar.
