Student Adoption Scheme
(Mentor Mentee Scheme)
Annual Report 2016-17*

This scheme is meant for support of the student where teachers (mentors) provide personal, academic and psychosocial support. Majority of the student's of our colleges are from rural back ground. Many of them are first or second generations learners and unaware of importance of higher education and academic excellence. They are unaware of merit, career and development of human resource. Lack of awareness to receive good education during acquisition of higher qualification always lead to remain them in same socio-economic conditions, even after acquiring university degree. This situation is due to many difficulties they face during their studies in the college.

Hence there is need to guide the students during their education so that they can excel in education as well as in their future life leading to socio economic prosperity.

Therefore our college has adopted this student adoption scheme with a hope that it will help them in overall development of the student.

Their difficulties during the college education are sorted out by the teachers who are their mentors for that academic year.

The working of the scheme is as follows

- 1) The coordinator of committee with the help of committee members distributes all the students of the degree course into the batches of 25-30 students.*
- 2) These batches are allotted to each teacher who are directly teaching them in the class-room.*
- 3) The teacher (mentor) collects all the information of the student with help of proforma given to each student.*
- 4) He makes them aware importance of scheme and fixes a schedule to meet the student's at least once in a month.*
- 5) Students are asked about their difficulties in their education.*

6) During the scheduled meet student discusses with the mentor about the problems during their studies.

7) They come with problems like transportation, Library facility, hostel facility, difficulty in paying the fees of examination even some times personal problems.

8) The teachers can directly approach the concern authority to sort out problem.

9) The teachers can also approach to principal to help the students.

10) The concern authority with the guidance of principal understands the gravity of the problem especially if it is of financial.

11) Principal allows them to pay fees in installments or in some cases financial help is rendered through students Aid fund.

12) Teachers also take care that his students ^{will} have over all development in that academic year.

This year the scheme was implemented rigorously in which 4013 students of the college participated in which 59% are girls students. Our teachers have taken all the efforts for the betterment of the students in the academic year 2016-17.

Earn and Learn Scheme
Annual Report – 2016-17

Earn and Learn scheme is an important aspect of Rayat Shikshan Sanstha, Satara. The main aim of this scheme is to provide the students with financial assistance to pursue their studies.

The Students were selected under this scheme on the basis of their economic condition and educational merit. The selected students are appointed in the various sections of the college as per availability of work as well as time of the student. Students work in College Library, Night Study room, Administrative office, Science laboratories, Boys' and Girls' Hostel and Gymkhana or wherever necessary. The students work daily 3 hours and get per hour 18/- Rs. honorarium. Thus this scheme helps them in their education by providing financial assistance.

In 2016-17, academic year total 24 students were selected under Earn and Learn scheme. In that 4 Students worked in College Library, 1 Students in an Administrative office, 2 Students in Night Study Room, 3 Students in Science Laboratory, 2 Students in Boys' hostel as well as 11 students in Girls' hostel and 1 Student in Gymkhana. Among the 24 Students, 14 are girls while 10 students are boys.

In this academic year, college spends total 1,58,000/- rupees on the students honorarium which supports in their educational needs. College organized Students – Parents meet for students working under this scheme as well as collect the feedback for this scheme which helps to understand benefits as well as problems of Earn and Learn Scheme.
