

# SUMIT S. SALUNKHE

## CHEMISTRY TEACHER

I am a dedicated chemistry teacher with four years of experience in teaching to graduate and postgraduate students at SGM College, Karad. I have Master's degree in Organic Chemistry from SPPU, Pune and a strong background in organic, inorganic and physical chemistry. I have successfully designed and delivered engaging lectures, practical sessions and assessments that meet the academic standards and learning outcomes.

I am looking for an opportunity to further enhance my teaching skills and contribute to the excellence of the organization.

### EDUCATION

- I completed my M.Sc. in Organic Chemistry from Pune University in 2020 with an 'A' grade.
- I graduated with B.Sc. in Chemistry from Shivaji University, Kolhapur in 2018 **First class.**
- I completed HSC from Kolhapur Board in 2015 with **Second Class.**
- I completed SSC from Kolhapur Board in 2012 with **First Class** with **Distinction.**

### WORK EXPERIENCE

- Worked as an assistant professor of chemistry for graduate and post-graduate students at S.G.M. College, Karad since 2020.
- Taught graduate and postgraduate courses on organic chemistry, inorganic chemistry, spectroscopy, medicinal chemistry, natural products.
- Prepare lesson plans, lecture notes, slides, handouts, assignments, quizzes, and exams
- Evaluate student performance, provide feedback and guidance

### EXTRA CURRICULAR ACTIVITIES

- PG final year project on "Solvent Free Synthesis of Chalcone Derivatives and Study of Their Applications"
- Graduation Final Year Project on "Preparation of synthetic dyes."
- Won a prize for Poster presentation in Ramanujan Competition, SGM college, karad.
- Attended International conference in chemistry.
- National service scheme certificate. (NSS).
- Certificate course of "Soil and Water Analysis".

### QUALIFICATION

*Pursuing Ph.D in  
BAMU University.*

*M.Sc (Organic  
Chemistry) in 2022*

### LANGUAGES

Marathi - Native  
Hindi  
English

### COMPUTER SKILLS

Proficient in MS Office  
(Word, Excel, PowerPoint),  
ChemDraw, Mendeley,  
Origin, MS-CIT.
