**World Food Day 2023-24**  
**Guest Lecture**

---

**1. Title of Activity:** Guest Lecture on the occasion of "World Food Day".

**2. Date & Venue:** 18<sup>th</sup> October 2023, Venue: S.G.M College Karad, Department of Food Science.

**3. Description of Activity:**

Department of Food Science come under **Sadguru Gadage Maharaj College, Karad (An Autonomous College)**- has organized Guest lecture on the occasion "World Food Day" for B.Sc I and B.Sc II Food Science Students on 18/10/2023. Honorable chief guest, **Dr. Siddharth Madhukarrao Lokhande** Assistant Professor, Department of Technology, Shivaji University, Kolhapur on "Career opportunities in Food Technology." The program president Hon. Principal Dr. Mohan Rajmane sir addressed to all students. Every year on October 16, people worldwide come together to commemorate the founding of the Food and Agriculture Organization. The theme for "World Food Day" 2023 is: Water is life, water is food. Leave no one behind. "

**4. Outcome of Activity:**

Students will get to know the information of "World Food Day". It was established to raise awareness of world hunger and encourage action to combat it and recalls the FAO's foundation in 1945. One of the most commonly recognized days on the UN calendar, World Food Day has been honored since its establishment in more than 150 nations. World Food Day is marked every year on October 16 and is a worldwide initiative aimed toward bringing issues to light about food security and hunger. The day serves to remind humanity about the challenges of food shortage and malnutrition faced by millions around the world. The goal of the day is to emphasise equal access to food, and water, promote sustainable agricultural practices and raise

awareness about food-related issues. World Food Day 2023 focuses on the collective responsibility of society to foster healthy and sustainable food systems.
