**Two Days Workshop on**  
**Industrial Software Project Development**

**Report**

Under lead college activity Two Days workshop On Industrial Software Project Development was organized in Department of Computer Science Students On **18 and 19 Feb. 2023**

The function was inaugurated by Vice Principal Hon. S. A. Patil and Head, Department of Computer Science.

In First session of the workshop, introductory lecture was conducted by Miss. Sayali Deshmukh. She explained the importance of industrial project development and need of different programming languages in development while doing the carrier in computer science, and explained with example how to start the project.

Second session of the workshop was conducted by Mr. R. P. Waghmare. He practically explained an implementation of concept. Also he explained importance of front-end and back-end languages in industrial development process. Also he demonstrated the different applications to the participants. Prof. Sajida Mulani, Prof. Tejaswini Patil and Prof. Shubhangi Pawar taken practical session.

Total 80 UG students of Department and 5 teachers of Computer Science participated in the workshop.
